

# Om Sai Enterprises

Fire safety is the set of practices intended to reduce destruction caused by fire. Fire safety measures include those that are intended to prevent the ignition of an uncontrolled fire and those that are used to limit the spread and impact of a fire.

Fire safety measures include those that are planned during the construction of a building or implemented in structures that are already standing and those that are taught or provided to occupants of the building.

- Solar Products (PV System)
- Fire Protection (Fire Resistance Door)

## SERVICES WE PROVIDE

Our strength Lies in its ability to binding together engineering talent and experience. as well as the latest technological breakthrough. We run-through stringent quality standards and have an uncompromising commitment towards complete customer satisfaction.

As of date we have achieved quantum growth in business and are now emerging as one of the leading market players in the state for fire detection and protection system.

- Site Survey/Inspection
- System Design
- Installation
- Commissioning
- Monitoring & Ongoing
- Maintenance and others . . .

“Safety First Quality Must”

# QUALITY ASSURANCE

Our main goal is to provide high-quality goods and unbeatable services, we endeavor to offer the top most quality products to our clients, and we follow a strict quality policy which allows us to scrutinize the product line at each & every stage of production / installation.

Starting from the initial stage of procuring raw material from the vendor to the dispatch of final products to the clients or end of the user, every process is completed and checked on various steps and parameters...

- **Physibility**
- **Durability**
- **Reliability**
- **Design Efficiency**
- **Environmental Safety**
- **Fire Resistance**
- **Portability**
- **Cost Effective**

## INDUSTRIES WE SERVE

Our products find wide application in both industrial/commercial and non-commercial sectors, and we have been able to cater for the following industries

- **Food**
- **Electronics**
- **Hospital**
- **Industrial**
- **Residential**
- **Rubber**
- **Petroleum**
- **Construction**
- **Educational**
- **Commercial**
- **Paper**
- **Pharmaceutical**
- **Textile**
- **Hotel & Resource**
- **Sports & Fitness**
